Brief description of project: Permit to install onsite sewage disposal system.

Note: ATTACH: (1) Owner's Written Statement that the proposed onsite sewage disposal system will receive only sewage or effluent as defined in onsite sewage disposal rules. (2) Letter explaining use and other necessary and required information.

PLEASE READ BEFORE SIGNING: I, the undersigned, understand that a plot plan or construction plan, when required, as outlined in Chapter 420-3-1, Ala. Administrative Code, is required to complete this application. With the submittal of this application, I, the owner and/or applicant acknowledge responsibility for the installation of an approved onsite sewage disposal system and state that the system shall be installed and maintained in an approved manner and according to submitted plans for the duration of my ownership of the system. I do hereby give permission to the health department to enter onto the property, at reasonable hours, for the purpose of processing this application.

() Owner () Agent: Signature _____ Date _____ 19 _____

NOTE: This is an application **ONLY**. Completion **does not** constitute an approval or permit to install or approval for use
